WHY WE ARE CALLED TO CRY OUT TO  
**SAINT JACINTA AND SAINT FRANCISCO** - TO COME TO THE AID OF OUR FALLEN AND SINFUL HUMANITY  
PRAY FOR US THAT OUR IMMACULATE MOTHER WILL DELIVER US SOON, AND HER  
IMMACULATE HEART TRIUMPH!

In the letters of Sister Lucia, the seer of Fatima, to St. John Paul II, it is mentioned a great purification of the world before the coming of the definitive triumph of the Immaculate Heart of Mary, due to the lack of enough conversions to God.

Conversion, true conversion, is much more than going to sacramental Confession. It requires a new attitude in life, the repentance of all sins, including the attachments to sin, even of venial sin, in compliance to God's will and the strict observance of His laws. It requires "a new heart", a true "metanoia". We still live in the time of Grace and Mercy, but this time is coming to an end soon and it will be substituted by the time of Divine Justice!

Jacinta suffered much and exhibited many complications, as her vocation to become a reparatory victim claimed. The sickness was transmitted by the soldiers returning from World War I to their families. More than twenty million people died in Europe.

Now, we are entitled to pray to our holy children of Fatima, Saint Francisco and Saint Jacinta, to give comfort and strength to our families of today, to assist our medical doctors and medical personnel in their great sacrifice to combat this dangerous virus; to pray for our scientists to illuminate them in bringing a cure and a vaccine to eradicate from the face of earth this terrible calamity!

Saint Jacinta and Saint Francisco Marto of Fatima, take care of our afflicted families in this hour of need, so that by your powerful intercession, united to the Immaculate Heart of Mary revealed at Fatima, you can obtain from the Good Lord, the remedy we ask for the greater glory of God and the salvation of many! May the Immaculate Heart of Mary that revealed her secrets in Fatima, be glorified in this limit hour of humanity, of the Church. May humanity and the Church, be able to recognize the supreme intercession of Jesus Christ before the Eternal Father, and the all-powerful intercession of Mother Mary, in unity with the Saints of Fatima, Jacinta and Francisco, as the source of liberation and health for all who come to their presence!

May this pandemic of the corona virus serve God's designs to bring humanity closer to Him, by a permanent renewal of our spiritual being, our interiority, where the Lord can dwell in our hearts, in the school of holiness brought by Our Lady of the Rosary of Fatima, portrayed by the three children shepherds, Saint Francisco, Saint Jacinta and the Venerable Sister Lucia, who served as Apostle and Messenger of the Fatima Message! Amen.
